

TESTIMONIALS

“Thanks for a great job. From quote to fitting the workmanship was of the highest standard. Everyone I know will hear about my heatpump.”

Ms A of Redwood Ave, Tawa

“Very friendly staff. Installation was done quickly, efficiently and very tidy. The Café Pica voucher was an additional bonus, much appreciated.”

Why did you choose CozyCool?:

“1) A local firm

2) Competitive price

3) Came to see us in the evening so we could both be present

4) Good advice given as to type/size of unit we needed

We are very happy with the result. Also liked the presentation of the quote with teabags and this opportunity to provide evaluation is excellent.”

Mr A of Ahuriri Street, Strathmore

“I really appreciated the professionalism of the men who installed my heat pump. They arrived at the time they said they would. They introduced themselves. They were

accompanied by their supervisor who explained the process, his role and alerted me, early, of the things about which I needed to make decisions. They were courteous. They were quiet. They cleaned up after themselves. They took their shoes off when they needed to come into the house. They were respectful (and not nosy). They instructed me on how to use the heat pump.”

D M H of Owhiro Bay Parade, Wellington
